About NWNHC

For more than 20 years, the Northwest Natural Horsemanship Center (NWNHC) has reached out across the Northwestern United States to bring natural horsemanship to horse people of all ages, riding styles and disciplines. NWNHC is an educational facility that makes available instruction and training in natural horsemanship at its campus outside Seattle, Wash. It also conducts children's camps, a children's club and offers intensive study classes for adults and aspiring equine professionals. In addition, it sponsors clinics on a variety of equine subjects, taught by renowned clinicians, instructors and equine health professionals from throughout the United States. The Center's internship program attracts students from throughout the U.S., Canada and Europe.

To Apply

Send a letter of interest and personal "selling points"

A current resume (Interested in both horse and non-horse related experiences)
